

Roadmap to Excellence

List of Materials

FTA has provided the following materials to assist you in your efforts. We encourage you to expand or modify the materials to fit your agency's specific needs. We simply hope that these materials help you get started.

Meeting Agenda

This will give you suggestions for topics you may want to cover during a meeting with your staff on using the FTA Transit Bus Safety and Security Program Resource Website.

Program and Website Overview

Share this with your staff to help everyone better understand the background and purpose of FTA's Transit Bus Safety and Security Program and the Resource Website.

Brainstorming Ideas

This is a list of ideas that you can use to help yourself and your staff evaluate the status of your safety, security and emergency preparedness program. You can add more questions to this list that you feel are appropriate.

Website Utilization Task Schedule

You can use this form or a modification of it to help schedule what actions you want to take moving forward and the people responsible for carrying out the identified actions.
